

**Regulations**  
**for the unguarded car park at Copernicus Science Centre**  
(hereinafter referred to as „Regulations”)

**§ 1**

1. The Regulations define the conditions for the use of parking spaces in the car park located at Copernicus Science Centre.
2. The car park is operated by the Copernicus Science Centre (hereinafter referred to as the "Operator" or "CSC").
3. Any person using the car park (hereinafter referred to singularly as the "User" and collectively as "Users") is obligated to read the Regulations and comply.

**§ 2**

1. The car park is unguarded, paid, open during the hours indicated on the website [www.kopernik.org.pl](http://www.kopernik.org.pl).
2. The Operator is entitled to close or open the car park on chosen dates, as well as to decide to temporarily exclude the car park from use or change the its opening hours. Detailed information will be posted on the website [www.kopernik.org.pl](http://www.kopernik.org.pl).
3. The Operator is not responsible for damage, loss or destruction of the vehicle left on its premises, as well as for damage, loss or destruction of items left by the User in the vehicle.
4. The Operator is not responsible for damages caused by force majeure, understood as an event independent of the Operator, external, impossible to predict and prevent.

**§ 3**

In the car park, the User is obligated to:

- 1) comply with the provisions of the Regulations, as well as the provisions of the Bill from 20 June 1997, the Road Traffic Act (Journal of Laws of 2021.450),
- 2) move the vehicle at a speed of up to 10 km/h,
- 3) exercise caution, in particular when parking and manoeuvring the vehicle,
- 4) place the vehicle in the space marked with lines,
- 5) follow the Operator's instructions.

**§ 4**

1. Access to the car park is possible through:
  - 1) reading of the registration plate of the vehicle,
  - 2) collecting an entry ticket, or
  - 3) applying a subscription card.
2. Entering the car park is tantamount to accepting the terms of the Regulations. Upon entering the car park, the User concludes an agreement with the Operator for the use of the parking space.
3. When entering the car park, you should:

- 1) stop in front of the barrier at the distributor,
  - 2) wait a few seconds until the vehicle's license plate is read or collect a parking ticket or present a magnetic card. You must keep the collected parking ticket until you leave the car park, paying for it in advance at the ticket office,
  - 3) the barrier closes as soon as a vehicle passes through. The simultaneous passage of two vehicles is prohibited. The availability of parking spaces is displayed on the board in front of the car park entrance.
4. Before leaving the car park, it is obligatory to:
- 1) pay the fee at the self-service checkout located in the car park,
  - 2) stop in front of the barrier at the outlet dispenser,
  - 3) departure is possible through reading the vehicle's registration plate or putting a paid parking ticket or a magnetic card close to the reader. Wait for the barrier to raise completely and remember that it closes immediately after each vehicle passes.
5. The simultaneous passage of two vehicles is prohibited and may damage both the vehicle and elements of the automatic parking service system.

## **§ 5**

A User leaving a vehicle in a parking space is obligated to:

- 1) place the vehicle within a designated parking spot, in a way that will not cause difficulties for other Users of the car park. One car - one parking space,
- 2) turn off the vehicle's engine, turn off the power sources, make sure that all possible sources of fire are put out,
- 3) secure the vehicle against spontaneous movement,
- 4) secure the vehicle against use by third parties.

## **§ 6**

1. The parking fee is determined by the price list, which is placed at the entrance to the car park and on the website of the Operator: [www.kopernik.org.pl](http://www.kopernik.org.pl).
2. The basis for calculating the parking fee is a parking ticket collected from the distributor at the entrance or the reading of the registration plate at the entrance.
3. If a User leaves the vehicle in the car park for a period longer than 10 days, the Operator will be entitled to call the Police or City Guards in order to tow the User's vehicle to a guarded car park. The User agrees to have the vehicle towed to a guarded car park at their cost and risk. The towed vehicle may be released after the owner or the person who uses the vehicle has paid the towing fee on the basis of an invoice issued by an authorised entrepreneur performing towing services and a fee for storing the vehicle in a guarded car park.

## **§ 7**

1. The parking fee should be paid at the automatic self-service checkouts located in the car park.
2. The parking fee must be paid before starting the vehicle and leaving the car park.

3. After paying, a User should collect a confirmation of the payment or a parking ticket that will allow them to leave the car park.
4. Losing or destroying a parking ticket results in the obligation to pay a flat-rate parking fee in the amount specified in the price list.
5. After making the payment, the user is obligated to leave the car park within 15 minutes. After this time, a fee will be charged in accordance with the price list.
6. Tailbacks on exit roads from the car park, especially in front of the barrier, arising for reasons not attributable to the CSC, i.e. approaching the barrier with an unpaid ticket and blocking the exit, inability to operate exit devices by other parking Users, vehicles stopping on the car park exit road, queues for departure resulting from heavy traffic, etc., and thus waiting in the queue for departure and exceeding the free time for departure, do not give grounds for an exemption from the parking fee or its reduction in the case of additional charges.
7. In the event of reasons attributable to the CSC which prevent the User from leaving the car park at the scheduled time, the User will be exempt from the payment referred to in the paragraph above.

## **§ 8**

In the car park, access roads and internal roads, the following is forbidden:

- 1) littering and polluting,
- 2) leaving the vehicle with the engine running,
- 3) leaving unattended children or animals in the vehicle,
- 4) parking the vehicle in marked places intended for persons with disabilities and in places reserved by the CSC,
- 5) drinking alcohol, smoking cigarettes, using open fire,
- 6) conducting business activities, except when such activity is conducted with the consent of the CSC,
- 7) entry of vehicles with LPG installations,
- 8) entry of vehicles with trailers.

## **§ 9**

1. In the event of collisions and road accidents occurring in the car park, access roads and internal roads, the rules set out in the Road Traffic Act shall apply.
2. In the event of a vehicle breakdown in the car park, which may have a negative impact on the environment, the vehicle driver covers the costs of intervention by the rescue and firefighting service and other authorised services necessary to remove the threat.
3. The Operator is not liable for damage to a person or property of persons using the car park, access roads and internal roads, caused by other people, as well as caused by force majeure understood as an event that could not be foreseen at the time of entering the car park.

## **§ 10**

1. In the event that the vehicle has been left in a place where parking is prohibited and obstructs traffic or otherwise threatens the safety of road traffic, the User agrees to tow the vehicle to a guarded car park at his expense and risk.
2. In the situation described in paragraph 1 above, the Operator will be entitled to call the Police or City Guards in order to tow the User's vehicle to a guarded car park. The towed vehicle may be released after the owner or the person who uses the vehicle has paid the towing fee on the basis of an invoice issued by an authorised entrepreneur performing towing services and a fee for storing the vehicle in a guarded car park.
3. The Operator has the right to take over the vehicle as a lien to secure his claims resulting from the User's failure to pay the fee for the use of the parking space.

## **§ 11**

1. Please be advised that the area of the CSC car park is subject to video surveillance. Only the image (without sound) is recorded.
2. The administrator of personal data collected by the monitoring system is the CSC with its seat in Warsaw (postal code 00-390) at ul. Wybrzeże Kościuszkowskie 20. Contact to the CSC, including the person acting as data protection officer in the CSC: [informacja@kopernik.org.pl](mailto:informacja@kopernik.org.pl).
3. The data is processed on the basis of art. 6 sec. 1 lit. f) of the general regulation on the protection of personal data of 27 April 2016, i.e. data processing is necessary for the purposes of the legitimate interests pursued by the data administrator.
4. The data will be processed for purposes related to ensuring the safety of people staying in the car park.
5. The data will be processed for a period of 22 days from the date of collection. In case of events that may be the basis for pursuing claims by the Copernicus Science Centre or third parties are recorded by the monitoring system, the data will be processed for the duration of the claim or until the claim is time-barred.
6. The personal data recorded as part of the monitoring system may be made available to entities providing services to the CSC and entities authorised under the law.
7. Each data subject has the right to rectify data, request deletion of data or limit their processing, object to the processing of their data, transfer data, lodge a complaint against the proceedings of the Copernicus Science Centre to the supervisory body - the Office for Personal Data Protection, ul. Stawki 2, 00-193 Warsaw.
8. Decisions regarding the personal data collected by the monitoring system will not be made in an automated manner.

## **§ 12**

1. The administrator of personal data is the Copernicus Science Centre with its seat in Warsaw (postal code: 00-390) at ul. Wybrzeże Kościuszkowskie 20.
2. The Administrator processes the personal data of the Users for the following purposes:

- 1) performing of a short-term rental agreement for a parking space in the scope of having a subscription,
- 2) pursuing claims in the event of damage or failure to pay the parking fee.
3. The legal basis for the processing of personal data of Users is: in the case referred to in paragraph 2, point 1) above – performance of a contract to which the User is a party, and in the cases indicated in paragraph 2, point 2) above – implementation of legitimate interests of the Administrator.
4. The purpose of providing personal data by the User is the implementation of the parking service, providing the data is a condition for the parking service, without providing them, the services cannot be performed or its performance may be significantly impeded.
5. The User's personal data may be entrusted for processing to external entities as part of the services they provide on the basis of personal data entrustment agreements, in particular, entities providing IT services, and all recipients are obligated to comply with the provisions of the GDPR in this regard, including keep these data secret even after the expiry of a binding legal relationship and may be made available to entities authorised under the law.
6. In regard to the processing, the User has the right to access their data, rectify their personal data, limit the processing of their personal data, subject to art. 18 paragraph 2 of the GDPR, and if it is possible on the basis of the general regulation on data protection, also to transfer them, or object to their processing and deletion.
7. Please be advised that a User has the right to lodge a complaint against the proceedings of the CSC to the supervisory body responsible for the protection of personal data - the Office for Personal Data Protection, ul. Stawki 2, 00-193 Warsaw.
8. Decisions regarding the personal data provided by the User will not be made in an automated manner – they will not be profiled.
9. The User's personal data will not be transferred to entities based outside the European Economic Area, i.e. to third countries or international organisations.
10. The User may contact the CSC regarding the processing of personal data by writing to the address of the CSC headquarters indicated in section 1 above or to the e-mail address [informacja@kopernik.org.pl](mailto:informacja@kopernik.org.pl).
11. Data on Users using the car park is stored for approximately 90 days. In the case of Users using the car park as part of the subscription, personal data is processed for the duration of the subscription contract and for 5 years from its expiry. In the event of proceedings related to violations of the law by Users, the data may be stored longer – for the duration of these proceedings and until the expiry of the limitation period for claims.

### **§ 13**

1. The price list of parking fees is attached as Appendix 1 to the Regulations.
2. The Regulations and the applicable price list of parking fees, which is the Annex 1 to the Regulations, are made available in a visible place in front of the car park entry and on the website [www.kopernik.org.pl](http://www.kopernik.org.pl).

3. Any comments, complaints and requests may be submitted by persons using the car park in writing to the address [info@kopernik.org.pl](mailto:info@kopernik.org.pl).

#### **§ 14**

1. In matters not covered by the Regulations, the provisions of applicable Polish law shall apply.
2. The Operator reserves the right to change the provisions of the Regulations at any time.
3. The Regulations enter into force on April 11, 2022.
